

NEW JEEP® RENEGADE

Jeep[®]

THERE'S ONLY ONE

Experience the combination you have been looking for: the practicality of the city and the vitality of nature, whilst moving in perfect harmony with both. With its renewed and valiant exterior, comfortable interior and savvy technology, the New Jeep® Renegade is your all-access pass to where you want to go.

DUAL SOUL.

THE CITY FOLLOWS SUIT.

Playing catch up is never fun. Being the leader sure is. The distinctive restyling of the legendary seven-slot grille, fittingly embedded front head lights as well as the middle and low fascia are all part of the what can only be the bold figure of a Jeep®. The city has been warned. Jeep® Renegade is not to be messed with.

Jeep

OUT OF THE BLUE.

The attraction to the unexpected is what leads to the extraordinary, and the new Jeep® Renegade is your ideal catalyst. Its renewed lower fascia and new LED lighting give its pronounced look a breath of fresh air. So take your out-of-the-blue idea and live it to the fullest.

An aerial, black and white photograph of a roundabout. The central island is a dark, textured circle. Four quadrants radiate from the center, each filled with parallel white diagonal stripes. The outer ring of the roundabout is paved with small, square tiles. The text "A CUE FROM A VIEW." is centered in white, sans-serif font over the central island.

A CUE FROM A VIEW.

To be seen is simple, but to get noticed lies in the details. The fresh new LED lighting design with the exclusive X of Renegade - inspired by the design of vintage American gas cans - is rousing, powerful and has the mark of a true trendsetter.

YOUR SKY JUST OPENED UP.

The heavens are now at your fingertips. As only a Jeep® vehicle can do, Renegade makes open-air freedom possible whenever and wherever you are. The sunroof is available in power tilt/slide function and the exclusive My-Sky removable panels. Now you can take in a view that is as unique as you.

The image shows the interior of a vehicle from the passenger side, looking towards the driver's seat. Two black leather seats with stitching are visible. The center console has a screen displaying the word "Jeep". Above the seats is a large sunroof that provides a view of a blue sky and green trees. The text "MARKS THE SPOT." is centered in the upper half of the image.

MARKS
THE SPOT.

With the My-Sky open-air sunroof watch as your perspective takes a new turn. Simply remove the lightweight fiberglass polyurethane roof panels and comfortably store them in the specific bag in the boot, leaving plenty of room to spare.

ALWAYS IN YOUR ELEMENT.

Being comfortable must be a top priority for any great adventure. The new Jeep® Renegade interiors have been tailored for function and enjoyment, like the stylish two-tone leather Polar Plunge available in the Renegade Limited model and the impressive Black leather with Ruby Red stitching and embroidered logo for the Trailhawk off-road special trim.

BRACE YOURSELF FOR FUN.

Inspired by a tradition steeped in off-road adventure and excitement, the new Jeep® Renegade is outfitted with classic Jeep® Wrangler characteristics and symbols of past icons like Willys on the windscreen or the typical off-road front hanger on the passenger side. The attention to detail, plus real functionality, will always keep you hanging on, and inspiring, for more.

MORE SPACE TO DO YOU.

Experience and enjoy the functional ingenuity of Renegade. It's roomy from front to back: Jeep® Renegade's spaciousness is best-in-class, accommodates up to five people and boasts maximum width and headroom in its category, guaranteeing you all the comfort you are looking for. Larger storage spaces in the centre console along with a clever net storage pocket round out an interior that has been sculpted for both day-to-day driving and unique moments of adventure.

PLAY BY YOUR OWN RULES.

There are THE rules, and then there are YOUR rules. New Renegade makes sure that one never does without the other, thanks to the 4th generation Uconnect™ Nav and infotainment system, boasting an up to 8.4" full colour, high definition touchscreen. Whether it is a touch, pinch, zoom or voice command, you get to stay focused on what you need to do and connected to what you want to be.

Unlock the potential of your iPhone with Apple CarPlay™, giving you smart and safe access to Apple Maps, Phone, Messages and Apple Music through Siri or the Uconnect™ touchscreen. Image refers to Apple CarPlay™.

AN INNATE CONNECTION.

Stay cool, or warm, with integrated climate control that manages the automatic dual zone air conditioning system that can now be regulated directly on the infotainment touchscreen.

Get the most out of your Android smartphone with Android Auto™, which enables easy connection via touchscreen and steering wheel controls to handsfree voice control, Google Maps, Google Play music. *

Uconnect™ LIVE App is your personal communication, navigation and information hub for every kind of journey, giving you direct access to TuneIn radios, Deezer music, Facebook Check In, Twitter, Reuters and Tom Tom Live for up-to-the-minute information. Reap the benefits of My:Car and eco:Drive™ as they keep track of your driving style, monitor vehicle status and assist in reducing fuel consumption. Learn from the experts using the Jeep® Skills App that let you gauge and measure pitch, roll, pressure and altitude in addition to your overall performance to give your adventure that extra boost of confidence.

* Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Google, Google Play, Android Auto and other related marks are trademarks of Google LLC.

Navigation System

Jeep® Skills

ENERGY YOU CAN HEAR.

The first class 560-Watt 8-speaker plus subwoofer Sound System by Beats transforms your daily soundtrack into a personal concert.

NEVER LET YOUR GUARD DOWN.

Nowadays, looking over your shoulder is not enough. With over 60 safety and security features easily understood via audio and visual warnings, including Lane Departure Warning Plus, Intelligent Speed Assist and Traffic Sign Recognition standard on all trims, the new Jeep® Renegade actively and passively keeps an eye out, senses obstacles and dangers for you and your passengers. Navigate through any difficulty you may encounter on the road and stay focused on the fun.

FORWARD COLLISION WARNING PLUS

Radar and video sensors detect whether the Renegade is approaching another vehicle or large obstacle in its path too rapidly and will warn or assist the driver in avoiding/mitigating the incident.

ADAPTIVE CRUISE CONTROL

The system uses a radar sensor mounted at the front of the vehicle to detect slower traffic ahead, while cruise control is activated and adjusts to a safe distance by decelerating and controlled braking while returning to the set speed when the street ahead is clear.

LANE DEPARTURE WARNING PLUS

The vehicle lane position is monitored by cameras and provides a visual warning if the vehicle approaches the lane boundaries unintentionally. Additionally, in case of lane drift the system proactively leverages the electronic power steering to help the driver in taking a corrective action and getting back in the lane.

BLIND SPOT MONITORING AND REAR CROSS PATH DETECTION

These sentry systems constantly monitor the space between you and other vehicles. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors and an audible chime.

REAR CAMERA WITH DYNAMIC LINES

The ParkView back-up camera provides perfect visibility when reversing and assists the vehicle's movement and direction thanks to the Dynamic Lines visible on the Uconnect™ screen.

AUTOMATIC PARK ASSIST - PARK SENSE

The system locates a parking space and guides the driver with audio and video instructions that also appear on the TFT instrument cluster. Plus, the new automatic pull-out function that assists in getting out of the parking spot. The driver needs to control the gear, brake and throttle position while the steering system controls the steering wheel.

INTELLIGENT AWARENESS.

Sometimes the details can get lost along the way, but with the state-of-the-art Traffic Sign Recognition system (TSR) you are alerted about overtaking, speed limit changes and possible restrictions directly on the 3.5" or 7" TFT display. Combined with the Intelligent Speed Assist (ISA), you can quickly accept increases or decreases to speed, and activate or deactivate the system all via intuitive steering wheel controls.

Jeep

RENEGADE

4x4

LIMITED

THE NATURE OF DUALITY.

With its 4x4 DNA, Jeep® Renegade can never hide its true colours. Underneath its compact size Renegade reveals its best-in-class off-road and on-road capabilities, meaning it feels equally at home in the heart of the urban jungle as it does climbing a mountain pass or freely roaming the wildest plains.

FEEL ONLY YOUR JEEP.[®]

Not all roads in life are the same, so now is the time to revel in the comfort and confidence that comes with being behind the wheel of a Jeep[®] Renegade. The sureness of its handling and the satisfaction from its suspension will turn all of your daily rides and commutes into gratifying moments.

THE NATURAL EVOLUTION OF POWER.

Creating power may be easy, but making it work smarter takes a different kind of talent. A complete line of more efficient engines that provide increased power and responsiveness. Featuring totally new 3 and 4-cylinder petrol engines and re-engineered diesel engines. The MultiAir III Turbo deliver power steps from 120 HP to 180 HP, while the 1.6L and 2.0L MultiJet II Turbo diesel engine boast 120 HP to 170 HP power steps.

MAKE YOUR OWN WAVE.

And Renegade will make sure it is a smooth ride. Choose from three outstanding transmissions: the class-exclusive 9-speed automatic offers seamless gear changes for a perfect fluidity and a comfortable driving experience, or the advanced 6-speed dual clutch that combines the performance of a manual transmission with the easy-to-use nature of an automatic or the classic 6-speed manual. Complete with 4X2 or 4X4 options, featuring rear-axle disconnect for maximum efficiency.

AT

For complete information please refer to pages 64-65.

AUTO The default selection that is perfect for everyday driving and automatically disconnects the rear driveline to create optimal fuel efficiency when 4x4 traction is not needed.

SAND Aggressive throttle and up-shift points generate stability and power to better handle loose and covered surfaces.

MUD Grants additional wheel slip to increase traction at low speeds, implementing specific chassis controls, differentials and transmission ratios to conquer the mud.

ROCK Exclusive to Trailhawk, this mode delivers skillful low-speed 4x4 capability due to its rear-differential locking mechanism, allowing Renegade to overpower the most challenging terrain.

CHOOSE WHEN TO CROSS PATHS.

The legendary off-road capability of Renegade is highlighted by the incomparable Jeep® Active Drive and Jeep® Active Drive Low 4X4 systems that assure Jeep® performance when and how you need it most. The rear-axle drive disconnect switches from four-wheel drive to front-wheel drive without driver intervention guaranteeing the efficiency and the right amount of power and traction needed to drive in any condition. Both systems feature the Selec-Terrain™ traction system that allows the driver up to five of specifically calibrated settings for various road conditions: Auto, Mud, Sand, Snow and Rock exclusively for the Trailhawk.

SNOW Adds stability and minimises oversteer for security and performance on snow and ice covered roads. Major systems are managed to guarantee a smooth ride.

RENEGADE

INCLINED TO BE AT EASE.

34°

24°

30°

Jeep® Renegade Trailhawk has the power to rise to any occasion. The Trail Rated badge represents the indisputable ability to conquer any terrain, passing five fundamental tests for traction, ground clearance, manoeuvrability, articulation and water fording. Not to mention its unique front and rear fascias that deliver class-leading 30° approach, 24° breakover and 34° departures angles. Its Jeep® Active Drive Low 4X4 system with Rock mode, exclusive to the Trailhawk trim, combined with its 170 HP turbo diesel engine, 9-speed automatic transmission and Hill Descent Control for improved traction, deliver best-in-class capabilities with an impressive 20:1 crawl ratio to put you at ease on any terrain.

The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with subsequent configuration depending on equipment selected and/or size of tires selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the vehicle's accompanying documents. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each Country.
